

- PRESS RELEASE -

## PRE-REGISTRATION FOR CACLP 2022 IS LAUNCHING

- *The 19<sup>th</sup> edition of China Association of Clinical Laboratory Practice Expo (CACLP), the world leading exhibition for the in vitro diagnostic industry, will be held 27- 29 March 2022, at the Nanchang Greenland International Expo Center, Nanchang City, China.*

The 19th edition of China Association of Clinical Laboratory Practice Expo (CACLP) and the 2nd China IVD Supply Chain Expo (CISCE) will open the door in two months, from 27 to 29 March in Nanchang, China. The 2nd China IVD Supply Chain Expo (CISCE), co-located with CACLP, is set to focus on raw materials, distribution, and logistics in the in vitro diagnostic industry. CACLP and CISCE will join forces to create the highest-quality business community, serving the entire IVD industry globally.

Over 40,000 laboratory professionals, medical institutions, scholars, manufacturers, agents, investors, entrepreneurs, and other organisations relevant to IVD, as well as other influencers are expected to attend the CACLP

& CISCE exhibition in March 2022. The pre-registration is now open. Click on the button below to receive your free badge.

[REGISTER FOR FREE VISIT](#)

The 19th edition of CACLP will focus on how brand companies help boost the development of IVD industry globally. New technology and innovative ideas will also take centre stage at the show to provide the highest-quality business platform for the entire industry. CACLP and CISCE will showcase the latest innovations via a range of product displays and talks.

## NEW CACLP, NEW EXPERIENCE

### MORE EXHIBITORS

 1,350+ exhibitors increase  30%, covering the whole IVD field

### MORE VISITORS

 Over 40,000+ visitors are expected to attend the exhibition

### BIGGER EXHIBITION SPACE

 120,000 m<sup>2</sup> exhibition space with  50% growth

### DIVERSE ACTIVITIES

 Academic forum, business communication, new product launch, design competition...

### UNLIMITED BUSINESS EXCHANGE

 International pavilion + Remote exhibition help international business consult

Furthermore, 20+ academic conferences and 100+ business meetings with different themes will be held at the convention center next to Nanchang Greenland International Expo Center from 26 to 28 March. Professionals and influencers have been officially invited to share their experience, knowledge, and opinions on this 4-day IVD industry event.

## — INDUSTRY EVENTS FOR 4 DAYS! —

### TIME & LOCATION

 March 26th-29th, 2022

 Nanchang Greenland International Expo Center & Primus Hotel Nanchang International Expo City

### CONCURRENT ACTIVITIES

#### | SAT. 26 MARCH 2022

Enlightening Lab Med - The 5th IVD Youth Entrepreneur Forum (ELMY)  
The 4th China IVD Distribution Enterprise Forum (CIDEF)  
The 2nd China Key Raw Material & Parts Forum (CKRMPF)

#### | SAT-SUN. 26-27 MARCH 2022

The 7th China Experimental Medicine Conference (CEMC)

#### | SUN-TUE. 27-29 MARCH 2022

The 19th China Association of Clinical Laboratory Practice Expo (CACLP)  
The 2nd China IVD Supply Chain Expo (CISCE)

#### | MON. 28 MARCH 2022

The 9th China IVD Industry Development Conference (CIIDC)

## CONCURRENT CONFERENCES & FORUMS

The 9th China IVD Industry Development Conference (CIIDC) is organised by Shanghai Academy of Experimental Medicine, *VIEW* journal and National Association of Health Industry and Enterprises Management, China Association of In Vitro Diagnostics (CAIVD). The conference focuses on the industrial development, the latest trend, capital operation and business management. Several elites and entrepreneurs in the IVD industry will discuss artificial intelligence, business models, international opportunities among other topics.

Enlightening Lab Med – The 5th IVD Youth Entrepreneur Forum (ELMY), organised by CAIVD, puts more attention on startups in the IVD industry. The conference invites successful entrepreneurs, investors, and bankers to share their experience of building up a business and producing value.

The 4th China IVD Distribution Enterprise Forum (CIDEF), organised by CAIVD, stresses the development of distribution in the field of IVD. The forum invites agencies, distributors, dealers, as well as leaders in relevant supervising institutions to talk about supervision, business development, operating experience of distribution enterprises.

The 2nd China Key Raw Material & Parts Forum (CKRMPF) is set to emphasize the sustainable development of raw material, logistics and packaging in IVD supply chain by CAIVD. The forum features several thematic

reports about the current situations, opportunities and challenges, technologies and applications of key raw material and parts in IVD industry.

As part of CACLP's commitment to providing the highest hygiene and safety levels, the event will again take place under the protocols of local government.
